LB 533, 540, 540A,
533, 543, 546, 543,
543, 550

CLERK: Mr. President, your Committee Enrollment and Review reports we have examined and reviewed LB 543 and find the same correctly enrolled.

PRESIDENT: While the Legislature is in session and capable of transacting business I propose to sign and do hereby sign LB 543. Senator Warner.

SENATOR WARNER: Mr. President, a procedural question of the Chair. Would I be correct to understand that the bills that have been passed today, all day, on Final Reading have been received by the Governor with appropriate notification from him? The reason I ask the question is if it is impossible to deliver any of them tonight, then the five intervening days for vetoes would not occur until the second of June, rather than the first. I want to be assured that there is the five days intervening time. I'm sure that depends upon the ability of the body to deliver....

PRESIDENT: Well we've done what we can here. Mr. Brown, can we deliver them to the Governor?

CLERK: They are supposed to be on their way, and we're waiting for a report from Emory right now that they have been delivered.

SENATOR WARNER: Mr. President, may I ask one more question?

PRESIDENT: Yes.

SENATOR WARNER: Does this body have to have a notice back from that office that they were received as of this date?

CLERK: May I answer that?

PRESIDENT: Yes.

CLERK: We never receive a notice from him unless he vetoes or signs them. The only proof we have that it is delivered is a certificate from the enrolling attorney that they were delivered to him. He never gives receipts.

SENATOR WARNER: How do I.... Who can give me assurance that we will be notified that they were received tonight?

CLERK: Well we're waiting for Emory to bring us that report at this very moment.

SENATOR WARNER: So then it would be appropriate not to adjourn until that report is here so we know what date.

CLERK: That would be fitting.

PRESIDENT: Do you have anything on your desk, Mr. Clerk?

CLERK: I have nothing further. Mr. President, your E & R attorney respectfully reports that she has on this day, at 3:25, presented to the Governor for his approval LB 550, 52, 533, 540, 540A, 546, 543, 549, and 543. Signed, Emory Burnett.

PRESIDENT: That is the report, is it?
